Hi all, please send your comments on the last meeting summary to Jake and myself. We are only looking for technical corrections, not typos or style or tone.

We will combine and forward to Pat for distribution to the subcommittee for approval. Please send us your comments by noon Thursday if possible so we can get this posted soon.

Thanks, Kathy

Jake and Kathy

At long last, the last meeting summary for your review. If you can give me comments, then we'll send it out for comment by the Subcommittee, then do a final poll/email for approval.

I think this is the last hanging chad, so to speak, for completion to close out the Subcommittee's work. I know that CSRA is finishing the work on the 508 (right number?) compliance.
